

# NEW TO ONTABA THIS YEAR!!

## Employment Advertising Booklet

Are you interested in advertising exciting employment opportunities that your agency has at this years ON-TABA conference?

This year we are collecting employment advertisements and putting them together in a booklet which will be included in every attendees folder. These advertisements will potentially be seen by over 400 people across the three day event.

The fee for the advertisements to be included is \$30. Following the conference, for an additional \$25 fee your advertisement will be posted on our website for one month.

This is a great opportunity to reach many potential employees in the field.
