ONTABA's Evening of Behaviour Analysis would not be possible without the generous support of our sponsors.

We're excited to be back in person for this year's Evening of Behaviour Analysis. This event brings together behaviour analysts, community partners and clinicians through an informal educational and social event. We're expecting over 100 registrants at this year's event! The event will feature a panel of community leaders presenting on how to promote and practice behaviour analysis in a culturally competent manner.
