

Who we are:

At bitKIDS Behaviour Consulting our mission is to provide exceptional ABA services that provide the teaching needed to help children excel in their communities. Our focus is on evidence-based treatment, fun sessions, and collaboration.

We are located in Kitchener, Ontario and provide mostly in-clinic services to the families that we work with. This allows for lots of hands-on supervision and immediate support for our team members. We believe that a well-supported team is the key to success for both our team members and the families we support.

What we are looking for:

We are looking for passionate and eager professionals to join our team in the role of **Senior Therapist**.

We offer:

- High level of training and support from our team of BCBAs.
- Training in assessment, implementation, and variety of teaching curriculums.
- Supportive work environment and culture.
- Opportunities for mentoring.
- Opportunities to collaborate with other professionals.
- Benefits.
- CEU opportunities.
- Hybrid work opportunities.

Responsibilities

- Select assessment tools, analyze results, and plan for treatment based on assessment, observation, and family goals.
- Work alongside families, sharing information, modeling strategies, and generalizing skills to parents in the home or community environment.

- Analyze graphs and make revisions and recommendations based on data.
- Write programs, behaviour intervention plans, and reports.
- Provide support, training, and supervision to Instructor Therapists.
- Collaborate with team members and other professionals.
- Demonstrate exceptional organizational and communication skills.
- Take on special projects such as group programming and workshop planning.
- Must adhere to the BACB [Ethics Code](#).

Qualifications

- Master's in ABA or related area.
- BCBA.
- 1+ year experience supervising ABA programs preferred.
- Self-driven and motivated.
- Passionate about ABA therapy, working with children and their families, and supporting staff.
- Experience with variety of assessment tools and curriculums.
- A vulnerable sector screen.
- Must be able to travel within the K-W region.
- Proof of COVID vaccine including booster(s).
